Elevate Your 3D Printing Experience with the J55™ Prime!

stratasys

6 Reasons to Upgrade to the J55™ Prime

Serve more apps + customers
10 base materials, 600k colors and digital materials. VeroUltra Clear for translucent models.

Build larger + more parts/build
Up to 3.8 x larger build volume, one-piece convenience, more parts / build tray.

Versatile 3DP from art to part
One technology for your end-to-end solution. Fast Draft Grey alpha designs to flexible/tinted full-color, visually brilliant, functional prototypes.
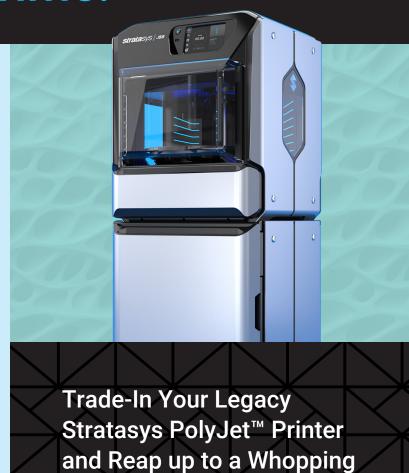

Lower cost per part
Up to 50% lower cost/ part with Draft Grey in HQS mode, more materials loaded = fewer material swaps further lowering TCO.

Office-friendly
Quietest printer yet, advanced air-filtration. Install at desk easily for designers, engineers, and students.

Free up time for your team
Eliminate the manual process of support removal, allowing your team to focus on more important tasks.
