

Upgrade to the J850™ Prime!

6 Reasons to Upgrade to the J850™ Prime

Versatile 3DP solution

Leverage a single technology for rapid Draft Grey alpha designs to full-color, multifaceted, functional prototypes.

Enhance workforce utilization

2-16x longer unattended times + reduced purging with less printer interface from larger (4kg) cartridges.

Faster

Print More Parts in Less Time: 25-80% faster average throughput. Improve your ROI and address a wider range of applications.

Design freedom unleashed

Flexible and innovative software allows users to pause, interact with the model & embed functionality in parts.

Lead your field

Tap the most advanced 3D printing technology. Break barriers in research & fashion with this Pantone® Validated 3D Printer.

Cutting-edge textile applications

Explore new textile applications; from fashion to active-wear and accessories with greater system control & innovation.

Trade-In your Legacy
Stratasys PolyJet™ Printer
and claim up to a generous
30% discount

Get up to a **30% discount** on the price of a new
J850 Prime with a trade-in of your legacy
Stratasys PolyJet printer.

**Valid for POs received and systems shipped
between 01-April, 2024 and 30-June, 2024**

Not to be combined with any other offer. No substitutions.
No stacking of discounts. No additional discounts.
